Corinthian Football Club is the trading name of Corinthian Sports Club Limited.  
Company Registration Number: 513287

# THE HISTORY OF THE CLUB

Corinthian FC was founded in 1972 by Mr RJ Billings (snr) to provide football in a safe environment, whilst teaching the players the principles that he believed to be important in sport. The motto was simply “pro omnium beneficio” - for the benefit of all, but on the pitch the principles were simple; “Hard, but fair”. Losing wasn’t considered before the game, but if the result went against us then the players were taught to take it graciously.

For the first ten years of the club’s existence we were pleased to welcome such teams as Tottenham, Charlton and Norwich amongst other league teams as well as county and district representative sides as our opposition. On top of these games there were many regular visitors to Gay Dawn Farm from local clubs making up a fixture list of over 60 games per season.

During the 1980s with the arrival of an experienced football manager, Mr Tony Sitford, we progressed from youth football into men’s football playing in the old Southern League. This level of football by a totally amateur club made us unique, but caused problems in the long run in attracting new players. Into the 1990’s we dropped back down to the Kent League and enjoyed many a season in this set up.

Early into the new century we reviewed the whole structure of our football club and decided that we had lost our roots in youth football and this was having a detrimental effect on our senior side. So, we decided to withdraw temporarily from senior football, whilst we rebuilt the lower levels of the club. In 2008 we had managed to create a club running 5 sides, from 13 years old through to 18 years old and it became obvious that we needed to consider the next step in our restructuring. For two seasons we had a liaison with Welling United, integrating a senior side within Welling United and developed a reserve side initially playing in Kent Division 2 (season 2008/09) and then moving on (2009/10) into the Suburban League South Division. This partnership has now come to an end.

When the opportunity came for us to re-enter senior football as Corinthian Football Club, we did not hesitate to take it. Probably 2 years too soon, but the challenge was one we were keen to take. We introduced a second senior side playing in the Suburban League to help us progress our u18’s into men’s football.

The 2010 / 11 season saw Corinthian FC running two senior sides one in the Kent Football League Premier Division and one in the Suburban League South Division plus three youth sides – u14, u15 and u18 in the Kent Youth League. For the 2011/12 season as well as all the above, Corinthian FC had an u18 side in the Ryman Youth League. We feel that that this fills the gap from Kent Youth League to senior football, enabling us to offer a true progression for all our players. The 2012/13, 14/15, 15/16, 17/18 ,18/19 and 19/20 seasons saw the addition of u13 and u15 team playing in the Kent Youth League.

After untimely ends to the 2019/20 & 2020/21 seasons, when the boys were flying high, we are delighted to have retained the main squad, with the addition of some of last season u18’s.

Corinthian Football Club are delighted to have been promoted into the Isthmian League Division 1 South East for the 2021/22 season and are looking forward to the challenge, to visiting new grounds and making new friends.

For our 21/22 campaign we continue with sides in the Suburban League Premier Division, Isthmian u18 East Division as well as the Isthmian South East Division.

# EDITOR'S COMMENTS

I am delighted to welcome Three Bridges FC players, officials, supporters, and today's match officials to Gay Dawn Farm for what should be an excellent evening of football, in my recollection their first visit to Gay Dawn Farm.

Thinking of our visitors today, I began to think about where names come from. The name Three Bridges made me think, that the town must have been named after three local bridges. On investigation, this is certainly the case, Three Bridges, at first a tiny hamlet, began to grow with the coming of the London and Brighton Railway in 1841. Despite beliefs to the contrary, the village was named, not after rail bridges, but after three much older crossings over streams in the area (River Mole tributaries). This then made me look up the name Fawkham – not such easy research!

It seems "Ham" depicted a small village or hamlet. The earliest version of the name Fawkham was "Fealcnaham", where "Fealcna" is possibly a Saxon first name, or possibly the Saxon word for "falcon".

My research lead me to find that places were originally named according to

- a) Landscape features, e.g. Three Bridges or Fulbrook in Oxfordshire which comes from the Old English 'ful + broc' meaning 'foul or dirty brook'.

- b) The nature of the settlement (habitation), e.g. Fawkham or Colby meaning 'Koli's farmstead' – 'by' comes from Old Scandinavian.

- c) The tribes or people living there (Folk), e.g. Norfolk comes from the Old English 'north + folc' and means (territory of) the northern folk.

Often the names are a combination of two or three descriptive terms in one name, and they have been influenced throughout different periods of history. England has been invaded by different groups of people over time and their languages have therefore modified place names.

Enjoy, the match, enjoy the rest of the season, and have a safe journey home.

# MANAGERS NOTES

For the first time this season, I felt we let ourselves and everyone at the club down on Saturday against Sittingbourne. The red card no doubt changed the game and we had looked very comfortable at 11 v 11 and deservedly led through another Oscar penalty, but again, we are seeing the reality and being dealt the harsh lessons of now being an Isthmian League club, that 10 v 11 for over an hour is going to be hard work and we are unlikely to overpower teams as we had previously managed to do so in the SCEFL. There were no doubts and no issues with the red card and we have the double edged sword of having lost the game Saturday and also now being without Jack for next Saturday's trip to Herne Bay, as well as Ryan Sawyer also serving his final match of his suspension. We have spoken as both a management team and squad in depth about some of the current issues and whilst it is not all doom and gloom, there is a very real acceptance that we need to improve quickly.

Tonight sees us host Three Bridges, who picked up a solid point at Burgess Hill on Saturday, meaning they have only lost one of their first five games and now kept two consecutive clean sheets. I would like to welcome Jamie Crellin, his management team, players and all that have travelled from Three Bridges. As I will say for every game this season, we will need to at our very best this evening to get anything from the game, but I know that the players are glad of the chance to put things right from Saturday so soon and I would expect to see an improvement from all of us tonight.

Saturday saw very few positives, but I felt Ryan Atkinson on his debut showed some good touches and intent at times, we know he needs to get fitter and get accustomed to our way of playing, but there were positives for sure. Harry Lashley looked assured on his full debut. Harry had a very good pre-season, but saw his chances limited due to a positive COVID test, just before the season started, he has had to be patient, but I was pleased with his efforts on Saturday. I thought that Oscar Housego was the best player on the pitch for the second week in a row and I felt that Josh James had his best game for us this season as well.

Tonight is possibly the biggest league game we have played as a club for the past three years, for a variety of reasons - We all now need to stand up and be counted. The squad is still in a good place and we know we need to keep working hard and return to the performance levels of the first three weeks of the season and I am sure we will turn the corner. Being on a run of games without winning is not something myself or this squad have been used to in recent years and it is not something that I have enjoyed.

Come on you Hoops!

*Michael*

# CAPTAIN’S COLUMN

Good evening all and welcome back to the Farm in which was a bitterly disappointing Saturday for all involved from Corinthians, last time out I said didn’t think an apology was required but in recent weeks our on field discipline and concentration levels has been a far cry in what’s expected from a Corinthian side and our management team so from the squad we’re sorry and vow to be better.

Two positives from Saturday one being the a full debut to Lash was taken in his stride and was one of a few to come away with credit and the other being we have a mid week fixture to put things right.

We as a group haven’t been in this position for a long time but as a tight group I’m more than confident we can navigate through this rough patch as we have done before.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

By David Richardson

THE BEAUTY of watching football is not knowing what's going to happen inside those 90 minutes.

Unfortunately, for me, I was on the wrong end of that last weekend.

The National League went crazy with 50 goals flying in across 11 games. There were three 4-3s, two 3-2s, three 2-2s and a 3-3. There were comebacks galore, red cards, own-goals and more big attendances. The start of the National League season really has delivered a strong advert for Non-League football.

However, on the same day in the division, there was also one 0-0, between Boreham Wood and Stockport County, which myself and 782 others attended. Groundhoppers especially will have had a moment like this, watching a drab stalemate as wild scores from around the country filter through. 'Why did I pick this game?'. It could even be happening right now as you read this! Sods law!

There was a spell last season when, in consecutive weeks, the games I went to finished: 1-0, 0-0, 0-0, 1-1, 1-0, 0-1, 1-0 before Hartlepool United ended my torrid run with a 7-2 victory at Wealdstone. I'd put in the hard yards.

I can't complain too much, though. A month or so later, I was at Ashton Gate, watching Torquay United goalkeeper Lucas Covolan score a 95<sup>th</sup> minute equaliser against, coincidentally, Hartlepool in the National League play-off final. It's cliché but it was truly an unbelievable oment. My brain couldn't process what my eyes had just seen.

It was the first time I'd attended a game in which a goalkeeper had scored and it made the arduous fixtures gone before all worthwhile. For every goalkeeper scoring a goal, there's several dozen 0-0s waiting around the corner!

Besides, if we knew how every game would finish, who would score and in what way, then football wouldn't have made it this far.

It's part of being a supporter too, each season different to the next, although usually with hopes of success often dashed as early as Christmas.

Football happiness is rare and short-lived. Here on Saturday, gone by Tuesday. Another fixture ready and waiting to deliver a dose of sporting reality.

In a strange way, however, as Boreham Wood and Stockport toiled to a goalless draw, it felt good, it felt normal, as the world continues to heal.

NLP reader Neil David wrote in our letters page last week how nice it was to be back in Non-League grounds after attending Mildenhall Town's FA Cup victory over Yaxley.

"The chatter among fans, having a beer watching the game, seeing how much the players are enjoying being back," he said, before delivering the crucial line, "I didn't think I'd miss live football as much I have."

And that's exactly how I felt at Boreham Wood despite the outcome. I hope now we have learned not to take things, or football, for granted. Not even the 0-0s.

## THREE BRIDGES FC – A BRIEF HISTORY

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53,

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place.

After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. He also recruited a new U23s manager in Oliver Saunders, another UEFA 'A' licensed coach, to work closely with the First Team in developing both the U23s and U18s. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions (FA Cup, FA Trophy, League Cup and Sussex Senior Cup), the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. Oliver Saunders remained as U23s Manager, assisted by Tom Hayward who had been involved with the U18s as both Assistant Manager and Manager over the previous four seasons, while First Team player, Brannon O'Neill, was appointed as U18s Manager. Sadly Oliver decided to move to South Park as First Team Coach in November 2019, following Martin Dynan's appointment there so Tom was appointed as U23s Manager for the remainder of the season. For the 2020/2021 season, the only change was a new manager for the U23s (Development Squad) with Ryan Gayler appointed as Manager and Tom Hayward becoming Vice Chairman.

2021/22 sees Jamie Crellin taking over as First Team Manager, with both Danny Lee and Lee Cole (former Academy manager and coach) returning to the club to join Jamie in the dugout as assistant manager and First Team coach respectively. The U23s have been disbanded but we will have an additional U18s playing in the Southern Combination Football League on Sundays.
